

Animation – Assignment 3 Scripts and Storyboards 1 Class

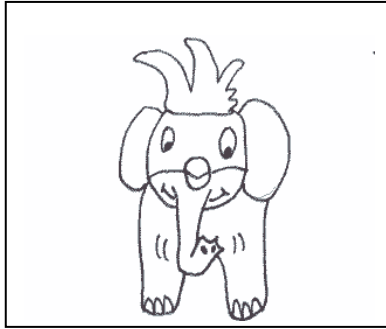

A script and a storyboard are great way to plan animation. Visualize the animation before you film it.

Story idea: *Imelda the elephant thinks she might like to be a chicken. Imelda has dressed up as a chicken and visits the chicken coup to meet the other chickens. The chickens are very frightened by Imeldas size.*

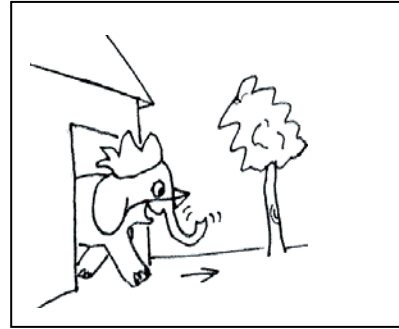

Sample Storyboard “Imelda the Elephant”

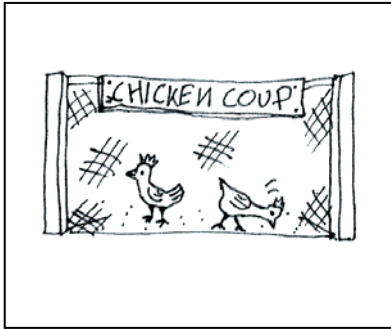

Imelda looks at her chicken outfit in the mirror

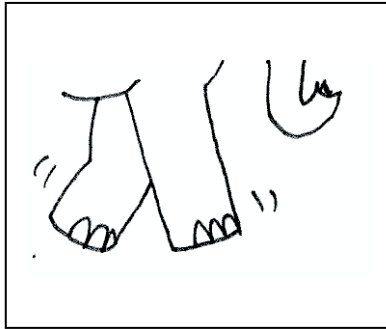

She adjusts her chicken beak

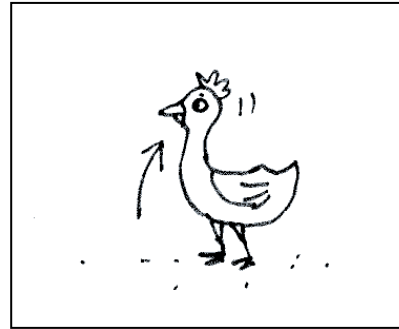

Imelda heads outside

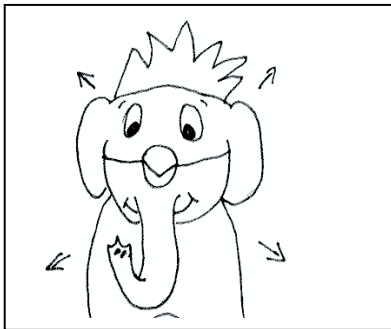

Establishing shot of the chicken coup

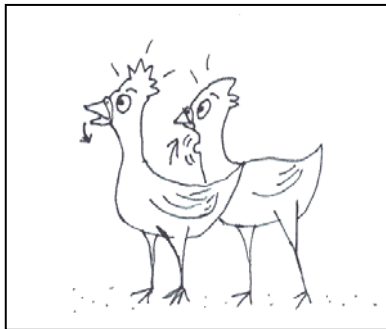

Close up of Imelda hurrying towards the chickens

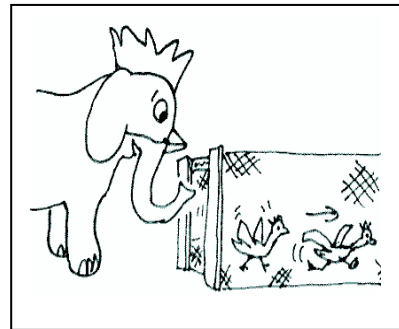

Chicken 1 looks up at the noise

Close up of Imelda coming straight at the camera

Chicken 1 and Chicken 2 look up - alarmed

Imelda arrives at the chicken coup – chickens are scared

TRY IT!

/10 marks

Create a short script and a storyboard for the idea below. Try not to show your classmates – we will compare them when they are done!

Story idea: Jack the Alligator dreams of being a Rabbit. Jack puts on some fur and practices hopping like a rabbit. The other animals in the river are a bit freaked out by this behavior and react by.....
